**Build a winning team spirit through a series of games devised by Discover Belgium. Teams must work as one if they are to escape...**

The day starts pleasantly enough with a friendly aperitif during which assignments and objectives are set out. The next step is to select your team of 5 or 6 people and together decide upon a name. Led by your guide, you will then explore a town or city, and complete the game's tasks:

- a fearsome quiz,
- a exclusive selfie competition,
- an enigmatic puzzle,
- a taste test, exploring local flavours.

You will also be introduced to local speciality dishes, sampling a delicious menu served in three different restaurants. In short, a varied schedule offering good times in a pleasant atmosphere, **team spirit**, and a treat for the taste buds.

## A highly interactive escape game

The day ends with a something of a test. Each team has to escape from a mysterious chamber. Once the door slams shut, only your team spirit and a logical approach can save you. Each room offers a unique adventure experience.

**At stake, a great prize for the winning team.**
