Take your employees through some original adventures in the Belgian province of Luxembourg and forge unforgettable memories with your staff.

Aventure invites you to share its love of nature with some fun-filled team building activities either chosen from its range (on bike, on foot, indoors or out) or specifically designed for you.

Teambuilding activities

Existing plans include something to suit every taste and temperament, with sporting activities, adventure, mysteries, indoors or out, etc.

Three examples are:

- **Mission Possible** : organisation, team spirit and good communication are crucial to the success of your secret mission.
- The **Highland Games** transport you straight to Scotland. During this team event, you are a member of a clan, taking part in a series of sporting trials. Here too, team spirit, communication and fun are essential components.
- An atmosphere combining **Fort Boyard** and the legend of King Arthur, with the Sword of Xivry. To solve the riddle, you need to successfully complete five challenges. From the cellars of Farnières chateau, will it be you on whom the spell of "eternal happiness" is cast?

Many other ideas await you thanks to the Aventure events organisers' overflowing imaginations!
