Cinéréa Benelux offers the Virtual Wine Escape Game®: a teambuilding activity in keeping with the times, blending the business of a challenge and the pleasure of tasting.

Analyse the clues, work as a team, solve the puzzles and work out which wines you are tasting. An unusual virtual teambuilding activity based around wine.

The concept

Each participant receives, at home, an individual package of 3 wines in 100 ml bottles, along with various clues which enable them to open the virtual padlock and thereby discover key information connected to the wines being tasted.

- Duration: approx. 1 hr 30
- From 4 to 30 people

This virtual treasure hunt leads players from one wine to another. Uncovering the main theme of the tasting requires effective

communication and teamwork.

The organiser

The leading organiser of high-end informal wine-tasting events in Belgium, Cinérea Benelux organises business events based on various product tastings, such as wine, beer chocolate and so on.
